I. DepEd Management Structure

To carry out its mandates and objectives, the Department of Education is organized into two major structural components. The Central Office maintains the overall administration of basic education at the national level.

The Field Offices are responsible for the regional and local coordination and administration of the Department's mandate.

In 2015, the Department underwent a restructuring of its office functions and staffing. The result of which was the Rationalization Plan for the new organizational structure. Details of the new structure are further explained in DepEd Order No. 52, series 2015 also known as the New Organizational Structures of the Central, Regional, and Schools Division Offices of the Department of Education.

II. Mandate

Decree of 1863 as the Superior Commission of Primary Instruction under a Chairman. The Education agency underwent many reorganization efforts in the 20th century to better define its purpose vis a vis the changing administrations and charters. The present – day Department of Education’s mandate was established through Republic Act 9155, otherwise known as the Governance of Basic Education Act of 2001.

The Republic Act substantially provides that the Department of Education (DepEd) formulates, implements, and coordinates policies, plans, programs and projects in the areas of formal and non – formal basic education. It supervises all elementary and secondary education institutions, including alternative learning system, both public and private; and provides for the establishment and maintenance of a complete, adequate, and integrated system of basic education relevant to the goals of national development.

The Basic Education-Learning Continuity Plan (BE-LCP) introduced different distance learning modalities that suit the learner's present situation due to the extreme heat and typhoon signals. One of the most appropriate modalities is the printed self-learning modules (SLMs) distributed to learners. Parents, guardians, and learners are oriented on how learning at home will be facilitated through the SLMs. The schedule and drop-off points for distribution are announced by the school through different channels.

E. SCHOOLS - INTERNAL SERVICES

1. Issuance of Special Order for Service Credits and Certification of Compensatory Time Credits

Vacation service credits are given for work beyond regular functions or beyond regular work hours/days where payment of honorarium or overtime pay is not possible. In addition, there are situations where extraordinary work is demanded from teachers including those which expose their lives to certain risks and for which monetary compensation is not enough. Thus, extra non-monetary compensation is justified.
